5. A confirmation code will be sent to your email address and mobile phone. Enter the codes and click "Next."
6. Account authentication requires an additional layer of verification. You can choose to have a confirmation code sent to your mailing address, or you can opt for "knowledge-based authentication" to allow immediate access to your account.
7. To initiate knowledge-based authentication for immediate access, on the "Additional Security Check" page, enter your name in the boxes and click "Verify Online."

If you wish to proceed, please validate the information below (you are able to update the name if the one you previously entered doesn't match the name held on public records) and select the "VERIFY ONLINE" button.

SSN: 000-00-0000

First Name

Last Name

If you do not wish to use the optional online verification service, and prefer to receive your Access Code in the mail, please select the "VERIFY BY MAIL" button.

Please note, access to application functionality will be restricted until you receive and enter your Postal Access Code.

8. On the next screen you will be prompted with three multiple-choice questions about you pulled from public records databases (for example, "Which of the below is an address where you previously lived?"). Correctly answer the questions and you will be directed to the Investor Centre homepage, where you can immediately begin to manage your account.

Online Verification Question

Please select the correct answer from the challenge questions below and select NEXT.

If you do not wish to continue with online verification please select CANCEL and you will be mailed an access code in the post.
